In addition, examiners will be informed of this result prior to the oral examination. The result of the oral examination will be based on the oral examination presented in the dissertation.

A candidate who fails overall at the first attempt shall have a right to resubmit the dissertation and to re-sit the oral examination. In terms of in-course assessment, the candidate can elect to carry forward their mark, but will be given the opportunity to resit the statistics exam (unless this was resat previously), reflective essay and/or poster abstract/presentation.
