Vector Biology and Vector-Parasite Interactions	13	Written Assignment: Research Proposal in the form suitable to submit to a named grant funding agency	Up to 2000 words	67%				
		Multiple Choice Exam	1-2 hours	100%				
Environmental Epidemiology		For students who are required to resit, or granted a deferral or new attempt, the task will be to write an essay of no more than 1,500 words in response to a technical enquiry about an environmental epidemiology issue. The task would be described as a policy choice facing a local authority, a senior official of which calls for epidemiological advice. The response is to be written using language that would be understood by an educated non-epidemiologist.	(1500 words)	100%	15
