

Review and Renew of Learning Design and Digital Teaching Materials

We have created this guidance to provide you with practical ways in which you can update your teaching materials for re- use in the 2021/2022 academic year. The Review and Renew is aligned to the [RVC Blended Learning Rubric V2](#) and aims to be a practical document that helps you implement any necessary changes identified through completing the [Self Audit Checklist](#).

This resource will help you to:
